

18-20 OCTOBER 2024
JILIN, CHINA (中国 吉林)

2024 12th International Conference on Smart Grid and Clean Energy Technologies

ICSGCE 2024 is co-sponsored by Beihua University (China), hosted by School of Electrical and Information Engineering, co-hosted by Northeast Electric Power University (China) and Universiti Tunku Abdul Rahman (Malaysia).

All papers registered to ICSGCE will be published into Conference Proceedings, like last few years.

► Alternatively, the authors can select to publish their papers in Scopus indexed journal:

IJEETC (ISSN: 2319-2518) <http://www.ijeetc.com/>

CALL FOR PAPERS

Smart Grid Architectures

- National/Global Energy Interconnection
- Smart Grid Strategy, Planning, and Standards
- Smart Grid Security & Reliability Management
- Energy Transfer and Interactive Technology
- Communication-Based Control & Protection

Clean and Renewable Energy

- Photovoltaic Systems & Solar Energy Engineering
- Wind Energy Generation
- Renewable Energy Utilizations
- Electric Vehicles and Vehicle-to-Grid (V2G)
- New Energy Materials and Devices

Power and Energy Engineering

- Electricity Market & Power System Economics
- Energy Storage & Distributed Energy Resources
- Intelligent Monitoring & Outage Management
- Power Electronics and Drives
- Power Generation, Transmission & Distribution
