ABOUT ICSGCE

SPECIAL SESSION - EET (ENERGY EFFICIENT TECHNOLOGY)

ICSGCE (with its Special Session on EET (Energy Efficient Technology)) is an annual conference which aims at bringing together participants from academia, industry, engineering, and administrative organizations around the world to exchange novel ideas, discuss innovative designs, explore enabling technologies and open problems, and share field trial experiences in smart grid and clean energy areas. It has been an active platform which provides participants to establish business or research relationships and to find the partners for future collaboration.

PUBLICATION

Conference Proceedings
